Compliance Helpdesk (Hotline + Helpline)

Our service **Compliance Helpdesk** combines (1) a professional Whistleblowing hotline platform to report violations of laws and corporate Code of Conducts, (2) a case assessment and management service and (3) a helpline for questions of employees regarding corporate guidelines or potential conflicts and dilemmas in the workplace in one single service. We support HR functions, Legal & Compliance managers in the follow-up of whistleblowing reports and advise your employees on how to implement corporate guidelines and policies in their daily work or support employees on how to deal with dilemma situations in their work environment.
